How to record (lessons from the last reel)

- **Use your camera at 1080p** (Settings → Video resolution). The last clips arrived at about half of HD, which made them look soft.
- **One take if you can.** If you need to stop, sit in the same place and position each time.
- **Speak a little faster** than last time, with energy, as if telling a friend something surprising. Aim for about 1 minute 40 seconds.
- **Phone upright** at eye level, a bit farther away, so your head and shoulders fit with space above. Face the window.
- **At the end, stay still and smile for 2 seconds** before you reach for the phone.
- **Send the original file.** If it's too big for the chat, use a Google Drive link (allowed in a new session).

How it flows: each part answers the question the last part raised. The *underlined-style links in italics* are the bridges: say them as if you are thinking aloud with the student.

📷 **FULL FACE:** ***concerned, then curious, like telling a friend a real story.***

Imagine you dug a village pond for two weeks, and your wages never came. **Who would you complain to?**

🗣️ **ఈ కొత్త rules దీనికి answer.**

Let's understand them step by step.

🎙️ ***clear, reassuring.***

On November 2nd, the Rural Development Ministry notified grievance rules, *so your complaint cannot just sit on a desk.* It must be enquired into within **7 working days** and solved within **15**, *and if the Gram Panchayat fails, it moves up* to the **Block**, and then the **District**.

🎙️ ***curious, "here's the part people miss".***

But rules under which law? From July 1st, 2026, the old **Mahatma Gandhi National Rural Employment Guarantee Act** was replaced by the **Viksit Bharat Guarantee for Rozgar and Ajeevika Mission, Gramin, Act**, *and the promise of work grew* from **100** to **125 days**.

🎙️ ***logical, then slower on the numbers.***

More days need more money, so who pays? Under the old Act, the Centre paid all the wages; now it is **60 to 40** with the states, and **90 to 10** for Himalayan and north-eastern states. States can also **pause work for up to 60 days** at sowing and harvest, *so farms get workers.*

🗣️ **ఇదే Prelims trap!**

🎙️ ***proud, warm.***

And why should Telugu states feel proud? Because united Andhra Pradesh pioneered **independent social audits**, *where villagers check the work themselves,* with a society set up in **2009**, a model for the country.

📷 **FULL FACE:** ***thoughtful, inviting.***

So your **Mains debate:** a fixed allocation from the Centre, or a demand-driven right? **Write your view in the comments**, and follow for one exam trap every day!

(Stay still and smile for 2 seconds.)
