DECODE UPSC with Mounika

Reel: Green crackers: what UPSC will ask

YouTube Short · about 80 seconds · no short forms · English + తెలుగు · festive, curious, exam-focused

How to record

- **Festive and curious:** it's Deepavali week, so smile and let the questions sound real.
- **Bold questions** ("What if…", "What makes them green?", "Who checks them?", "How can a court…") are the hooks. Ask each one, pause for half a second, then answer.
- **Telugu lines (🗣️):** say them slower and warmer.
- **Phone upright** at eye level, an arm's length away, with a little space above your head. Face the light and wipe the lens.
- **At the end, stay still and smile for 2 seconds** before you reach for the phone.
- **Send it here** at 720p (under 30 MB).

Script

The story in one line: the order → what makes a cracker green → who checks it → why a court can limit a festival.

📷 **FULL FACE:** ***playful, curious.***

What if Diwali crackers were allowed for just 3 hours a day?

🗣️ **Delhi లో ఇదే జరిగింది.**

So what exactly is a green cracker?

🎙️ ***clear, news voice.***

On November 2nd, the Supreme Court allowed only **certified green crackers** in Delhi and the **National Capital Region**, on November 7th and 8th, from 6 to 7 in the morning and 8 to 10 at night, and none within **300 metres** of hospitals and schools.

🎙️ ***curious, then confident.***

What makes them green? The **National Environmental Engineering Research Institute** in Nagpur, a laboratory of the **Council of Scientific and Industrial Research**, designed them: no **barium nitrate**, about **30%** less emissions, and three types, **SWAS**, the Safe Water Releaser, **STAR**, the Safe Thermite Cracker, and **SAFAL**, Safe Minimal Aluminium, each with a green logo and a **Quick Response code** to scan.

🎙️ ***"pay attention" voice.***

And who checks them? The Nagpur institute certifies the formula, and the **Petroleum and Explosives Safety Organisation**, under the Commerce Ministry, licenses the makers under the Explosives Act.

🎙️ ***thoughtful.***

But how can a court limit a festival? It called crackers a religious practice, yet **Article 25** is subject to health, and **Article 21** gives us clean air.

🗣️ **ఇదే Mains point!**

📷 **FULL FACE:** ***warm, festive smile.***

🗣️ **Green గా దీపావళి జరుపుకుందాం!**

Follow for one exam trap every day.

(Stay still and smile for 2 seconds.)

Pronunciation: SWAS [Swaas] · SAFAL [Sa-PHAL] · Thermite [THUR-mite]

Title (pick one): 1. What Makes a Cracker “Green”? UPSC Angle #UPSC #Shorts 2. Green Crackers: Who Designs, Who Licenses? #UPSC #Shorts 3. Can a Court Limit Diwali? Article 25 vs 21 #UPSC #Shorts

Description: > The Supreme Court (2 November 2026) allowed only certified green crackers in Delhi and the National Capital Region on 7–8 November, 6–7 in the morning and 8–10 at night, and none within 300 metres of hospitals and schools. What makes a cracker green (National Environmental Engineering Research Institute, a Council of Scientific and Industrial Research laboratory; no barium nitrate; SWAS, STAR, SAFAL; Quick Response code), who checks them (the institute certifies; the Petroleum and Explosives Safety Organisation licenses under the Explosives Act), and Article 25 versus Article 21. Explained in English and Telugu. > Source: The Hindu, 3 November 2026; Asian News International. > Full weekly class every Sunday, 6 PM. > #UPSC #UPSC2027 #CurrentAffairs #GreenCrackers #Diwali #Environment #Polity #APPSC #TGPSC #Telugu #Shorts

Pinned comment: > 🧠 Quick test: Consider these statements: > 1. Green crackers were developed by the National Environmental Engineering Research Institute. > 2. The Petroleum and Explosives Safety Organisation, which licenses firecracker makers, works under the Ministry of Environment. > 3. Freedom of religion under Article 25 is subject to public order, morality and health. > How many are correct? (a) Only one (b) Only two (c) All three (d) None > Comment your answer! ✅ Answer: (b) Only two: statements 1 and 3 (the Safety Organisation is under the Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry).
